**SECTION 3. Authorized Principal Amount and Purpose; Application of Proceeds.** This Council determines that it is necessary and in the best interest of the City to issue bonds of this City in the maximum principal amount of \$3,100,000 (the Bonds) for the purpose of refunding the City's outstanding Parking Deck Improvement Refunding Bonds, Series 2015, dated April 30, 2015, which were issued for the purpose of constructing and equipping a multi-level parking deck and improving the site thereof (the Project). The Bonds shall be issued pursuant to the Act, the City's Charter, this Ordinance and the Certificate of Award.

The principal amount of Bonds to be issued shall not exceed the maximum principal amount specified in this Section 3 and shall be an amount determined by the Director of Finance in the Certificate of Award to be the principal amount of Bonds that is required to be issued at this time for the purpose stated in this Section 3, taking into account the costs of refunding the Refunded Bonds, other City moneys available for the purpose, the estimates of the Financing Costs and the interest rates on the Bonds. The Refunded Bonds shall be determined by the Director of Finance in the Certificate of Award as the maturities of the Outstanding Bonds, the refunding of which will be in the best interest of and financially advantageous to the City.

The proceeds from the sale of the Bonds received by the City (or withheld by the Original Purchaser on behalf of the City) shall be paid into the proper fund or funds, and those proceeds are hereby appropriated and shall be used for the purpose for which the Bonds are being issued, including without limitation but only to the extent not paid by others, the payment of the costs of issuing and servicing the Bonds, printing and delivery of the Bonds, legal services including obtaining the approving legal opinion of bond counsel, fees and expenses of any placement agent, paying agent, escrow trustee and verification consultant, and all other Financing Costs and costs incurred incidental to those purposes. Any portion of those proceeds received by the City representing premium (after payment of any Financing Costs identified in the Certificate of Award) shall be used to pay costs of refunding the Refunded Bonds and/or be paid into the Bond Fund, with such determination being made by the Director of Finance in the Certificate of Award, consistent with the Director of Finance's determination of the best interest of and financial advantages to the City. Any portion of those proceeds received by the City representing accrued interest shall be paid into the Bond Fund.

**SECTION 4. Denominations; Dating; Principal and Interest Payment and Redemption Provisions.** The Bonds shall be issued in one lot and only as fully registered bonds, in Authorized Denominations, but in no case as to a particular maturity date exceeding the principal amount maturing on that date. The Bonds shall be dated as provided in the Certificate of Award, provided that their dated date shall not be more than 60 days prior to the Closing Date. If requested by the Original Purchaser, the Director of Finance is hereby authorized to prepare a single registered Bond with multiple maturities of principal in Authorized Denominations as set forth in a payment schedule to be set forth in such Bond or attached thereto.

(a) **Interest Rates and Payment Dates.** The Bonds shall bear interest at the rate or rates per year and computed on the basis as shall be determined by the Director of Finance, subject to subsection (c) of this Section 4, in the Certificate of Award. Interest on the Bonds shall be payable

at such rate or rates on the Interest Payment Dates until the principal amount has been paid or provided for. The Bonds shall bear interest from the most recent date to which interest has been paid or provided for or, if no interest has been paid or provided for, from their date.

(b) Principal Payment Schedule. The Bonds shall mature on the Principal Payment Dates in principal amounts as shall be determined by the Director of Finance, subject to subsection (c) of this Section 4, in the Certificate of Award, which determination shall be in the best interest of and financially advantageous to the City.

(c) Conditions for Establishment of Interest Rates and Principal Payment Dates and Amounts. The rate or rates of interest per year to be borne by the Bonds and the principal amount of Bonds maturing on each Principal Payment Date shall be such that the true interest cost of the Bonds shall not exceed 5%.

(d) Payment of Debt Charges. The debt charges on the Bonds shall be payable in lawful money of the United States of America without deduction for the services of the Bond Registrar as paying agent. Principal of and any premium on the Bonds shall be payable when due upon presentation and surrender of the Bonds at the main office of the Bond Registrar; provided, however, to the extent that in the case of the final principal payment due hereunder, surrender of the Bond at the main office of the Bond Registrar. Interest on a Bond shall be paid on each Interest Payment Date by check or draft mailed to the person in whose name the Bond was registered, and to that person's address appearing, on the Bond Register at the close of business on the 15<sup>th</sup> day preceding that Interest Payment Date. Notwithstanding the foregoing, so long as the entire principal amount of the Bonds is represented by a single registered Bond, (i) the principal installments on the Bonds may be paid on each Principal Payment Date and any redemption date by (A) wire transfer of immediately available funds to the registered owner, without presentation or surrender thereof, to an account in the United States as such owner will direct in writing to the Bond Registrar or (B) check or draft mailed to the registered owner, provided that in connection with the payment or redemption of the final installment of principal of the Bonds, the registered owner thereof shall present and surrender its Bonds at the office of the Bond Registrar, and (ii) interest on the Bonds may be paid on each Interest Payment Date by (A) wire transfer of immediately available funds to the registered owner, without presentation or surrender thereof, to an account in the United States as such owner will direct in writing to the Bond Registrar or (B) check or draft mailed to the registered owner.

(e) Redemption Provisions. The Bonds shall be subject to redemption prior to stated maturity as follows:

(i) Optional Redemption. The Bonds of the maturities and interest rates specified in the Certificate of Award (if any are so specified) shall be subject to optional redemption by and at the sole option of the City, in whole or in part in Authorized Denominations, on the dates and at the redemption prices (expressed as a percentage of the principal amount to be redeemed), plus accrued interest to the redemption date, to be determined by the Director of Finance in the Certificate of Award; provided that the redemption price for any optional redemption date shall not be greater than 103%.

(ii) Partial Redemption. If fewer than all of the outstanding Bonds are called for optional redemption at one time and Bonds of more than one maturity (or interest rate within a maturity if applicable) are then outstanding, the Bonds that are called shall be Bonds of the maturity or maturities and interest rate or rates selected by the City. If fewer than all of the Bonds of a single maturity (or interest rate within a maturity if applicable) are to be redeemed, the selection of Bonds of that maturity (or interest rate within a maturity if applicable) to be redeemed, or portions thereof in Authorized Denominations, shall be made by the Bond Registrar by lot in a manner determined by the Bond Registrar. In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than the Authorized Denominations are then outstanding, each Authorized Denomination unit of principal thereof shall be treated as if it were a separate Bond of the Authorized Denomination. If it is determined that one or more, but not all, of the Authorized Denomination units of principal amount represented by a Bond are to be called for redemption, then, upon notice of redemption of an Authorized Denomination unit or units, the registered owner of that Bond shall surrender the Bond to the Bond Registrar (A) for payment of the redemption price of the Authorized Denomination unit or units of principal amount called for redemption (including, without limitation, the interest accrued to the date fixed for redemption and any premium), and (B) for issuance, without charge to the registered owner, of a new Bond or Bonds of any Authorized Denomination or Denominations in an aggregate principal amount equal to the unmatured and unredeemed portion of, and bearing interest at the same rate and maturing on the same date as, the Bond surrendered.

(iii) Notice of Redemption. The notice of the call for redemption of Bonds shall identify (A) by designation, letters, numbers or other distinguishing marks, the Bonds or portions thereof to be redeemed, (B) the redemption price to be paid, (C) the date fixed for redemption, and (D) the place or places where the amounts due upon redemption are payable. The notice shall be given by the Bond Registrar on behalf of the City by mailing a copy of the redemption notice by first-class mail, postage prepaid, at least 30 days prior to the date fixed for redemption, to the registered owner of each Bond subject to redemption in whole or in part at the registered owner's address shown on the Bond Register maintained by the Bond Registrar at the close of business on the 15<sup>th</sup> day preceding that mailing. Failure to receive notice by mail or any defect in that notice regarding any Bond, however, shall not affect the validity of the proceedings for the redemption of any Bond.

(iv) Payment of Redeemed Bonds. In the event that notice of redemption shall have been given by the Bond Registrar to the registered owners as provided above, there shall be deposited with the Bond Registrar on or prior to the redemption date, moneys that, in addition to any other moneys available therefor and held by the Bond Registrar, will be sufficient to redeem at the redemption price thereof, plus accrued interest to the redemption date, all of the redeemable Bonds for which notice of redemption has been given. Notice having been mailed in the manner provided in the preceding paragraph hereof, the Bonds and portions thereof called for redemption shall become due and payable on the redemption date, and, subject to the provisions of Section 4(d), upon presentation and surrender thereof at the place or places specified in that notice, shall be paid at the redemption price, plus accrued interest to the redemption date. If moneys for the redemption of all of the Bonds

and portions thereof to be redeemed, together with accrued interest thereon to the redemption date, are held by the Bond Registrar on the redemption date, so as to be available therefor on that date and, if notice of redemption has been deposited in the mail as aforesaid, then from and after the redemption date those Bonds and portions thereof called for redemption shall cease to bear interest and no longer shall be considered to be outstanding. If those moneys shall not be so available on the redemption date, or that notice shall not have been deposited in the mail as aforesaid, those Bonds and portions thereof shall continue to bear interest, until they are paid, at the same rate as they would have borne had they not been called for redemption. All moneys held by the Bond Registrar for the redemption of particular Bonds shall be held in trust for the account of the registered owners thereof and shall be paid to them, respectively, upon presentation and surrender of those Bonds; provided that any interest earned on the moneys so held by the Bond Registrar shall be for the account of and paid to the City to the extent not required for the payment of the Bonds called for redemption.

**SECTION 5. Execution and Authentication of Bonds; Appointment of Bond Registrar.**

The Bonds shall be signed by the Mayor and the Director of Finance, in the name of the City and in their official capacities; provided that either or both of those signatures may be a facsimile. The Bonds shall be issued in the Authorized Denominations and numbers as requested by the Original Purchaser and approved by the Director of Finance, shall be numbered as determined by the Director of Finance in order to distinguish each Bond from any other Bond and shall express upon their faces the purpose, in summary terms, for which they are issued and that they are issued pursuant to the Act, the Charter of the City, this Ordinance and the Certificate of Award.

The Director of Finance is hereby authorized to designate in the Certificate of Award the Director of Finance, the Original Purchaser or a bank or trust company authorized to do business in the State to act as the initial Bond Registrar. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Certificate of Award, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Certificate of Award, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under the Bond Proceedings unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under, and is entitled to the security and benefit of, the Bond Proceedings. The certificate of authentication may be signed by any authorized officer or employee of the Bond Registrar or by any other person acting as an agent of the Bond Registrar and approved by the Director of Finance on behalf of the City. The same person need not sign the certificate of authentication on all of the Bonds.

**SECTION 6. Registration; Transfer and Exchange.**

(a) Bond Register. So long as any of the Bonds remain outstanding, the City will cause the Bond Registrar to maintain and keep the Bond Register at its main office. Subject to the provisions of Section 4(d), the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of the Bond Proceedings. Payment of or on account of the debt charges on any Bond shall be made only to or upon the order of that person; neither the City nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section 6. All such payments shall be valid and effectual to satisfy and discharge the City's liability upon the Bond, including interest, to the extent of the amount or amounts so paid.

(b) Transfer and Exchange. Any Bond may be exchanged for Bonds of any Authorized Denomination upon presentation and surrender at the main office of the Bond Registrar, together with a request for exchange signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred only on the Bond Register upon presentation and surrender of the Bond at the main office of the Bond Registrar together with an assignment signed by the registered owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of any Authorized Denomination or Denominations requested by the owner equal in the aggregate to the unmatured principal amount of the Bond surrendered and bearing interest at the same rate and maturing on the same date.

If manual signatures on behalf of the City are required, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the City. In all cases of Bonds exchanged or transferred, the City shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of the Bond Proceedings. The exchange or transfer shall be without charge to the owner, except that the City and Bond Registrar may make a charge sufficient to reimburse them for any tax or other governmental charge required to be paid with respect to the exchange or transfer. The City or the Bond Registrar may require that those charges, if any, be paid before the procedure is begun for the exchange or transfer. All Bonds issued and authenticated upon any exchange or transfer shall be valid obligations of the City, evidencing the same debt, and entitled to the same security and benefit under the Bond Proceedings as the Bonds surrendered upon that exchange or transfer. Neither the City nor the Bond Registrar shall be required to make any exchange or transfer of (i) Bonds then subject to call for redemption between the 15<sup>th</sup> day preceding the mailing of notice of Bonds to be redeemed and the date of that mailing, or (ii) any Bond selected for redemption, in whole or in part.

**SECTION 7. Sale of the Bonds to the Original Purchaser.** The Director of Finance is authorized to sell the Bonds at private sale to the Original Purchaser at a purchase price, not less than 97% of the aggregate principal amount thereof, as shall be determined by the Director of Finance in the Certificate of Award, plus accrued interest (if any) on the Bonds from their date to the Closing Date, and shall be awarded by the Director of Finance with and upon such other terms as are required or authorized by this Ordinance to be specified in the Certificate of Award, in accordance with law and the provisions of this Ordinance.

The Director of Finance shall sign and deliver the Certificate of Award and shall cause the Bonds to be prepared and signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the Original Purchaser upon payment of the purchase price.

The Mayor, the City Administrator, the Director of Finance, the Director of Law, the Clerk of Council and other City officials, as appropriate, are each authorized and directed to sign any transcript certificates, financial statements and other documents and instruments and to take such actions as are necessary or appropriate to consummate the transactions contemplated by this Ordinance. The actions of the Mayor, the City Administrator, the Director of Finance, the Director of Law, the Clerk of Council or other City official, as appropriate, in doing any and all acts necessary in connection with the issuance and sale of the Bonds are hereby ratified and confirmed.

**SECTION 8. Federal Tax Considerations.** The City does not intend or represent that the interest on the Bonds will be excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended, and the City is not and shall not be obligated to take any action to attempt to secure or maintain any such exclusion.

**SECTION 9. Security for and Covenants Relating to Bonds.**

(a) The Bonds, together with the Outstanding Nontax Revenue Notes and any Additional Bonds that may be issued concurrently or hereafter on a parity therewith, are special obligations of the City, and the principal and interest on the Bonds are payable solely from, and such payment is secured by a pledge of and lien on, those Nontax Revenues established by and as provided in this Ordinance which are on deposit in the Bond Fund, as described below.

There is hereby created a separate account or fund designated as the "Parking Deck Retirement Fund" (the "Bond Fund") into which Nontax Revenues shall be deposited in accordance with the following provisions.

The City hereby covenants and agrees that on or before each Payment Date it shall deposit in the Bond Fund from Nontax Revenues selected by the City, an amount equal to the amount of principal and interest due on the Bonds on that Payment Date, less, in the discretion of the City, any interest earnings or other moneys accumulated in the Bond Fund which have not theretofore been used as a credit against a prior payment obligation. Moneys in the Bond Fund shall be used solely and exclusively to pay principal of and interest on the Bonds, the Outstanding Nontax Revenue Notes, any parity obligations concurrently issued with the Bonds, and any hereafter designated Additional Bonds, all when due.

The City hereby covenants and agrees that so long as Bonds are outstanding, it will appropriate and maintain sufficient Nontax Revenues each year to make each payment due under this Section 9 and to pay principal and interest when due; provided, however, the payments due hereunder and under the Bonds are payable solely from Nontax Revenues, which Nontax Revenues are hereby selected by the City pursuant to Section 165.12 of the Revised Code as moneys that are not raised by taxation. The Bonds are not secured by an obligation or pledge of any moneys raised

ORDINANCE NO. 161-2021 (F), *Second Reading*

by taxation. The Bonds do not and shall not represent or constitute a debt or pledge of the faith or credit or taxing power of the City, and the owners of the Bonds have no right to have taxes levied by the City for the payment of principal and interest on the Bonds.

Nothing herein shall be construed as requiring the City to use or apply to the payment of principal and interest on the Bonds any funds or revenues from any source other than Nontax Revenues. Nothing herein, however, shall be deemed to prohibit the City, of its own volition, from using, to the extent that it is authorized by law to do so, any other resources for the fulfillment of any of the terms, conditions or obligations of this Ordinance or of the Bonds.

(b) The City will at all times faithfully observe and perform all agreements, covenants, undertakings, stipulations and provisions to be performed on its part under this Ordinance and the Bonds and under all proceedings of this Council pertaining thereto. The City represents that (i) it is, and upon delivery of the Bonds covenants that it will be, duly authorized by the Constitution and laws of the State including particularly and without limitation the Act, to issue the Bonds and to provide the security for payment of the debt service charges on the Bonds in the manner and to the extent set forth herein and in the Bonds; (ii) all actions on its part for the issuance of the Bonds have been or will be taken duly and effectively; and (iii) the Bonds will be valid and enforceable special obligations of the City according to their terms. Each obligation of the City required to be undertaken pursuant to this Ordinance and the Bonds is binding upon the City, and upon each officer or employee of the City as may from time to time have the authority under law to take any action on behalf of the City as may be necessary to perform all or any part of such obligation, as a duty of the City and of each of those officers and employee resulting from an office, trust or station within the meaning of Section 2731.01 of the Revised Code, providing for enforcement by writ of mandamus.

(c) All books and documents in the City's possession relating to the Nontax Revenues shall be open at all times during the City's regular business hours to inspection by such accountants or other agents of the owners of the Bonds as the owners may from time to time designate.

(d) The Clerk of Council, or another appropriate officer of the City, shall furnish to the Original Purchaser a true transcript of proceedings, certified by that officer, of all proceedings had with reference to the issuance of the Bonds along with such information from the records as is necessary to determine the regularity and validity of the issuance of the Bonds.

**SECTION 10. Financing Costs.** The expenditure of the amounts necessary to pay any Financing Costs in connection with the Bonds, to the extent not paid or reimbursed by the Original Purchaser in accordance with the Certificate of Award, is authorized and approved, and the Director of Finance is authorized to provide for the payment of any such amounts and costs from the proceeds of the Bonds to the extent available, and otherwise from any other funds lawfully available that are appropriated or shall be appropriated for that purpose.

**SECTION 11. Call for Redemption; Escrow Trustee; Escrow Agreement; Escrow Fund.** To provide for the payment of the principal of and interest on the Refunded Bonds, the Director of Finance is hereby authorized to designate in the Certificate of Award a bank or trust company authorized to do business in the State to act as the Escrow Trustee. The Mayor and the Director

ORDINANCE NO. 161-2021 (F), *Second Reading*

of Finance shall sign and deliver, in the name and on behalf of the City, the Escrow Agreement between the City and the Escrow Trustee, in substantially the form as is now on file with the Clerk of Council. The Escrow Fund provided for in the Escrow Agreement is hereby created. The Escrow Agreement is approved, together with any changes or amendments that are not inconsistent with this Ordinance and not substantially adverse to the City and that are approved by the Mayor and the Director of Finance, on behalf of the City, all of which shall be conclusively evidenced by the signing of the Escrow Agreement or amendments thereto. The Director of Finance shall provide for the payment of the services rendered and for reimbursement of expenses incurred pursuant to the Escrow Agreement, except to the extent paid or reimbursed by the Original Purchaser in accordance with the Certificate of Award, from the proceeds of the Bonds to the extent available and then from other money lawfully available and appropriated or to be appropriated for that purpose.

Acting pursuant to the Series 2015 Bond Ordinance which authorized the Series 2015 Bonds, the Refunded Bonds, as determined by the Director of Finance in the Certificate of Award to be refunded and called for redemption, are hereby called for redemption on the earliest practicable date or dates as set forth in the Certificate of Award (each a Redemption Date) at the required redemption price of the principal amount thereof, and the Director of Finance is hereby authorized and directed to cause those Refunded Bonds to be called for redemption on each applicable Redemption Date and arrange for the notices of redemption to be given in accordance with the applicable provisions of the Series 2015 Bond Ordinance.

For informational purposes, a certified copy of this Ordinance shall be sent by the Director of Finance to the current bond registrar for the Refunded Bonds.

In order to provide for the payment of (a) the interest on the Refunded Bonds on each interest payment date following the Closing Date and through each applicable Redemption Date, (b) the principal and mandatory sinking fund payments (if any in each case) of the Refunded Bonds maturing on or prior to each applicable Redemption Date, and (c) the principal of the Refunded Bonds to be called for redemption on each applicable Redemption Date, the City covenants and agrees with the Escrow Trustee and with the owners of the Refunded Bonds that the City will take, and will cause the Escrow Trustee to take, all steps required by the terms of the Escrow Agreement to carry out such payments. The City will provide from the proceeds of the Bonds and other available funds in accordance with this Ordinance, moneys and investments sufficient to pay in full (a) the interest on the Refunded Bonds on each interest payment date following the Closing Date and through each applicable Redemption Date, (b) the principal and mandatory sinking fund payments (if any in each case) of the Refunded Bonds maturing on or prior to each applicable Redemption Date, and (c) the principal of the Refunded Bonds to be called for redemption on each applicable Redemption Date. The City covenants and agrees with the Escrow Trustee and with the owners of the Refunded Bonds that the City will take, and will cause the Escrow Trustee to take, all steps required by the terms of this Ordinance, the Series 2015 Bond Ordinance and the Escrow Agreement to carry out such payments so that the Refunded Bonds are not deemed to be outstanding.

There shall be delivered to the Escrow Trustee for the Escrow Fund proceeds to be received from the sale of the Bonds and other available funds which shall be held in cash, or, if and to the

extent determined by the Director of Finance to be financially advantageous to the City, invested in United States Treasury Obligations (Treasury Securities), State and Local Government Series (SLG Securities) or other direct obligations of, or obligations guaranteed as to both principal and interest by, the United States (direct obligations and guaranteed obligations together with the Treasury Securities and the SLG Securities, collectively, the Securities). For purposes of this paragraph, "direct obligations of, or obligations guaranteed as to both principal and interest by, the United States" includes rights to receive payment or portions of payments of the principal of or interest or other investment income on (i) those obligations and (ii) other obligations fully secured as to payment by those obligations and the interest or other investment income on those obligations.

The moneys in the Escrow Fund which shall be held in cash and Securities (if any) may, if and to the extent determined by the Director of Finance to be financially advantageous to the City, be certified by an independent public accounting firm of national reputation in a written report (the Verification Report) to be of such maturities or redemption dates and interest payment dates, and to bear such interest, as will be sufficient together with any moneys in the Escrow Fund to be held in cash as contemplated by the Verification Report, without further investment or reinvestment of either the principal amount thereof or the interest earnings therefrom, to cause the Refunded Bonds to be deemed to be not outstanding as provided for in the Series 2015 Bond Ordinance. The balance of the proceeds to be received from the sale of the Bonds, less any amount thereof contemplated by the Verification Report to be held in cash in the Escrow Fund and less any amount otherwise provided for herein, shall be used for the payment of costs related to the refunding and the issuance of the Bonds. The Director of Finance is hereby authorized to retain and designate in the Certificate of Award an independent public accounting firm of national reputation to prepare and deliver the Verification Report.

At the direction of the Director of Finance, the Escrow Trustee or the Original Purchaser is authorized to apply and subscribe for SLG Securities on behalf of the City. Further, if the Director of Finance determines that it would be in the best interest of and financially advantageous to the City to purchase Treasury Securities for deposit into the Escrow Fund, the Director of Finance or any other officer of the City, on behalf of the City and in their official capacity, may purchase and deliver such obligations, engage the services of a municipal advisor, bidding agent or similar entity for the purpose of facilitating the bidding, purchase and delivery of such obligations for, and any related structuring of, the Escrow Fund, execute such instruments as are deemed necessary to engage such services for such purpose, and provide further for the payment of the cost of obtaining such services, except to the extent paid by the Original Purchaser in accordance with the Certificate of Award, from the proceeds of the Bonds to the extent available and otherwise from any other funds lawfully available and that are appropriated or shall be appropriated for that purpose.

Any such moneys, and Securities (if any), in addition thereto contemplated by the Verification Report to be held in cash, shall be held by the Escrow Trustee in trust and committed irrevocably to the payment of the principal of and interest on the Refunded Bonds.

Before any Additional Bonds are issued, the City shall be required to furnish a certificate of the Director of Finance showing that the maximum annual aggregate of estimated debt service charges on the Bonds, the Outstanding Nontax Revenue Notes, any parity obligations delivered concurrently with or after the Bonds, and those Additional Bonds, or in the event that the Additional Bonds are to be issued as bond anticipation notes, the largest amount required to be paid in any succeeding calendar year to meet the estimated interest and principal maturities of the bonds anticipated by those bond anticipation notes, shall not be less than 50% of estimated Nontax Revenues for the fiscal year immediately following the issuance of the proposed Additional Bonds (the Coverage Test).

Junior lien or other subordinate bonds payable from the Nontax Revenues may be issued without limitation.

The Additional Bonds shall bear such designation as may be necessary to distinguish them from the Bonds or other Additional Bonds having different provisions and shall have maturities, interest rates, interest payment dates, redemption provisions, denominations and other provisions as provided in the ordinances hereafter adopted providing for the issuance of the Additional Bonds; provided, however, that those terms and provisions shall not be inconsistent with this Ordinance to the extent it governs the issuance and terms of Additional Bonds

**SECTION 13. Bond Counsel.** The legal services of the law firm of Squire Patton Boggs (US) LLP are hereby retained. Those legal services shall be in the nature of legal advice and recommendations as to the documents and the proceedings in connection with the authorization, sale and issuance of the Bonds and rendering at delivery related legal opinions, all as set forth in the form of engagement letter from that firm which is now on file in the office of the Clerk of Council. In providing those legal services, as an independent contractor and in an attorney-client relationship, that firm shall not exercise any administrative discretion on behalf of this City in the formulation of public policy, expenditure of public funds, enforcement of laws, rules and regulations of the State, any county or municipal corporation or of this City, or the execution of public trusts. For those legal services, that firm shall be paid just and reasonable compensation and shall be reimbursed for actual out-of-pocket expenses incurred in providing those legal services. The Director of Finance is authorized and directed to make appropriate certification as to the availability of funds for those fees and any reimbursement and to issue an appropriate order for their timely payment as written statements are submitted by that firm. The amounts necessary to pay those fees and any reimbursement are hereby appropriated from the proceeds of the Bonds, if available, and otherwise from available moneys in the General Fund.
