STATEMENT OF WORK

HOME REPAIR RESOURCE CENTER

Home Repair Resource Center (“HRRC”), formerly known as FHC Housing Corporation, is a non-profit organization chartered in 1971. Its mission is to strengthen and promote the housing stock of Cleveland Heights through education, financial assistance, counseling, and community involvement, in order to support the economic, social, and racial diversity of the community. HRRC’s programs recognize the special needs of low- and moderate-income homeowners and provide incentives to encourage and facilitate their participation. Programs are designed to maintain the condition and value of housing in Cleveland Heights.

HRRC has several components that receive CDBG funding. The first is HRRC’s operating expenses. This includes personnel and administrative costs associated with programs that benefit low- and moderate-income persons. Home Repair Resource Center will provide comprehensive budget and credit counseling services to residents of Cleveland Heights through the Housing Counseling Program. Services will be provided through classroom and individual counseling.

Rollover and new CDBG funds support several of HRRC’s programs. The Assist Benefit program includes the Assist 0%, Deferred Loan Match and Assist Incentive programs. The Assist 0% benefit helps recipients borrow funds for repairs. It reduces the principal financed so that the total repaid to the bank is equivalent to a no-interest loan. The Assist Incentive grant provides a grant of up to \$1000 to complete a major improvement (roof and gutters, major plumbing, major wiring, new heating systems). The grant is increased to \$1500 for seniors who are replacing a roof or furnace. The Deferred Loan Match program enables recipients to defer payment of half the cost (to a maximum of \$3000) of replacing major systems of a home (roof, heating, plumbing or electrical). The Senior Home Stability Grant program provides grants of up to \$1000 to assist homeowners with the repairs to their home which will allow them to age in place. All programs assist low- and moderate-income owner-occupied households as defined by the Department of Housing and Urban Development.

HRRC will serve approximately 200 households through their programs.
