- Purpose of Board
 - On April 18, 2022, City Council passed Resolution 40-2022 (Street Lighting Special Assessment) and 41-2022 (Forestry Special Assessment). These assessments levy a total of \$2.00 per foot of frontage on applicable streets on parcels within the City. On June 21, 2022, City Council appointed an Assessment Equalization Board to hear any complaints relative to the estimated assessments. This Board's authority is limited to determining whether the calculation of the estimated assessments are accurate based upon the rates and standards set forth in the Resolutions.
- Hearing of Objections
- Adjournment
