STATEMENT OF WORK

START RIGHT CDC – GOOD NEIGHBOR HOME REHAB PROGRAM

Start Right CDC is a non-profit organization whose mission is to develop programs within their community that will help low and moderate income families in blighted areas. Through its Good Neighbor Program, Start Right CDC will work to safely and fully rehabilitate a minimum of one home in the Caledonia Park Opportunity Zone and either sell the property to an LMI buyer or hold the property and rent it to an LMI tenant. The goal of the program is to improve housing conditions and property values in this target neighborhood.

Start Right CDC has rehabilitated 3 homes in the Caledonia Neighborhood since 2012. This project will expand their housing activities to directly impact LMI residents and, potentially LMI tenants.

CDBG funds will assist with capital improvement costs for the project.
