We will operate this business in a manner similar to the existing operation with sales of new and used vehicles; service and parts operations. This is simply an ownership change. The building located at 3077 Mayfield Rd. is the collision center which primarily improves body work including painting for new and used cars. The collision center repaired approximately 1,000 cars in 2021. The collision center has 25 employees. Also included on the premises is a room used to store business records and professional office space. This has been the historical use of this building for a number of years.
