

THE FIRST AMENDED CHARTER OF THE CITY OF CLEVELAND HEIGHTS, OHIO

PREAMBLE

We, the people of the City of Cleveland Heights, in the County of Cuyahoga and the State of Ohio, in order to secure for ourselves the benefits of municipal home rule under the Constitution of the State of Ohio and to exercise all powers of local self-government, and desiring to provide for a responsive, effective and accountable government maintaining the highest level of integrity for all members of our diverse community, do frame and adopt this First Amended Charter for the government of the City of Cleveland Heights.

ARTICLE I NAME AND BOUNDARIES

The municipal corporation now existing and known as the City of Cleveland Heights shall continue to be a body politic and corporate under the same name and with the same boundaries, with power and authority to change its boundaries and annex other territory contiguous thereto in the manner authorized by the general laws of Ohio; but no territory shall be detached therefrom nor shall the City be annexed to any other municipality, without the consent of the Council and of a majority of its electors voting on such question.

ARTICLE II FORM OF GOVERNMENT AND POWERS

SECTION 1. FORM OF GOVERNMENT

The municipal government provided by this Charter shall, as reflected more specifically in other provisions of the Charter, be known as a Mayor-Council form of government.

SECTION 2. POWERS

The City of Cleveland Heights shall have all powers of local self-government now or hereafter granted to municipalities by the Constitution and laws of Ohio, and all such further powers as may now or hereafter be granted by the Constitution or laws of Ohio; and all such powers shall be exercised in the manner prescribed by this Charter or, if not prescribed by Charter, by ordinance or resolution of the City Council.

ARTICLE III THE COUNCIL

SECTION 1. POWERS, NUMBER AND TERM.

The legislative power of the City, except as otherwise provided by this Charter, and such additional powers as may be expressly granted by this Charter, shall be vested in a Council of seven (7) members elected at large. Except when an election may be required as the result of a vacancy in the Council, three (3) members of the Council shall be elected in the regular municipal election held in the year immediately preceding that in which a United States presidential general election is held, and four (4) members shall be elected in the regular municipal election held in the year immediately following that year in which a United States presidential general election is held. The terms of the members of the Council shall begin the first day of January next following their election, and they shall serve for a term of four years or until their successors are chosen and qualified.

SECTION 2. QUALIFICATIONS.

To serve as a member of the Council, a person shall have been a resident and elector of the City of Cleveland Heights continuously for the twelve (12) months immediately preceding the time for submitting his or her nominating petition to the election authorities as required under the terms of this Charter, and shall continue to be a resident and elector of the City during his or her term of office. No person shall be a member of Council who holds any employment with the City of Cleveland Heights, the Cleveland Heights/University Heights School District, or the East Cleveland School District, or who holds any elected public office other than that of precinct committee person or State central committee person.

SECTION 3. REMOVAL.

The Council shall be the judge of the election and qualifications of its own members. It may expel any member for gross misconduct, or malfeasance, misfeasance or nonfeasance in or disqualification for office, or for conviction of a felony or a crime involving moral turpitude while in office or while a Councilmember-elect, or violation of the oath of office; provided, however, that such expulsion shall not take place without the concurrence of three-fourths (3/4) of the remaining members or Council nor until the accused member shall have been given a written copy of the charges against the member and an opportunity to be heard, present evidence, and examine, under oath, all witnesses appearing in support of such charge or charges, with not less than ten days' notice of the time and place of hearing. The accused member shall not vote on the question of removal.

SECTION 4. VACANCIES.

Any vacancy in the Council shall be filled in the first instance by the appointment, by a majority of the remaining members of the Council, of an individual qualified under this Charter to serve as a member of Council. In the event Council fails to fill any vacancy within sixty (60) days of the occurrence of such vacancy, then the Mayor shall fill it by appointment within the next ten (10) days. The Council member so appointed to fill the vacancy shall serve for the balance of the unexpired term or until the beginning of the term of a successor elected for the unexpired term as hereafter provided. A successor shall be elected for the unexpired term at the

next regular municipal election if (a) such election occurs more than two (2) years prior to the expiration of the unexpired term; and (b) the vacancy shall have occurred more than one hundred twenty (120) days prior to such election. The term of a person elected to fill the vacancy at such election shall begin at the first regularly scheduled meeting of Council following the certification of electoral results of such election and shall extend for the remainder of the unexpired term.

SECTION 5. SALARIES AND OTHER COMPENSATION.

In each year preceding the year in which a presidential election is held Council shall, by ordinance, fix the salary and other compensation of the Mayor and all members of the Council, with the salary and compensation prescribed by such ordinance applying to new terms of office beginning on or after January 1 of the presidential election year. Any ordinance fixing salary and other compensation, to be effective, must be adopted at least sixty (60) days prior to the filing date for the filing of nominating petitions by candidates for Mayor or Council for the regular municipal election to be held in the year in which the ordinance is adopted. No change in salary and other compensation for a Council member or the Mayor shall take effect during the current term of office of that person.

Salary and other compensation for the six (6) members of Council other than the President of Council shall be identical, subject to the requirement that no salary or compensation shall change during a Council member's term of office. The salary and other compensation for the President of Council shall be larger by twenty-five percent (25%) than that of the other members of Council. The salary and other compensation for Council members shall reflect the Council's consideration of any report of the Civil Service Commission provided pursuant to Article XI Section 2 of this Charter, the part-time duties of Council members, the economic condition of the City, comparable salary and other compensation of Council members in cities of similar size and annual budget, and the need to attract qualified candidates for Council.

The salary and other compensation for the Mayor shall reflect the Council's consideration of any report of the Civil Service Commission provided pursuant to Article XI Section 2 of this Charter, the full-time nature of the position, the economic conditions of the City, comparable salaries and other compensation of mayors in cities of similar size and budget, and the need to attract qualified candidates for the office of Mayor.

SECTION 6. APPOINTEES.

Council shall appoint a Clerk of Council, who shall have the duty of keeping Council's records and performing all other duties required by this Charter and by the Council.

Council may appoint, employ, hire, or engage any other employees, consultants, independent contractors, or other persons as it deems necessary for the proper discharge of its duties. The Clerk of Council and any other person so appointed and employed, hired, or engaged by the Council shall serve at the pleasure of the Council and shall report to the President of Council, or the designee of the President of Council, as their supervisor. The President of

Council, rather than the Mayor, shall have the authority to execute any contract authorized by Council pursuant to this Section.

Neither the Council nor any of its members or committees may dictate the appointment of any person to office or employment by the Mayor, nor, except as may be otherwise provided in this Charter, in any manner interfere with or prevent the Mayor or the City Administrator from exercising their judgment in the appointment of officers and employees in the administrative service.

SECTION 7. MEETINGS.

The Council shall meet for the purpose of organization on the first Monday in January following each regular municipal election. In the event such first Monday is a legal holiday, Council shall meet the following day. Thereafter the Council shall meet at such times and at such public places within the City of Cleveland Heights as may be prescribed by ordinance or resolution. Four members shall constitute a quorum for a meeting of the Council or Council's Committee of the Whole.

Unless otherwise provided in this Charter, if authorized by ordinance, and subject to such regulations as Council may impose by ordinance consistent with this Section, any meeting of the Council or public hearing of Council may be held in-person or by means of teleconference, video conference or other similar electronic communications technology (which meetings or hearings may be referred to as "virtual"), or any combination of in-person attendance and attendance by use of such electronic technology. A Council member attending such a meeting by use of electronic communications technology as described herein may vote, participate, deliberate and take other official action in such meeting, and shall be counted as present including for purposes of establishing quorum, the same as if the member were physically present, provided that all applicable notice and procedural requirements are met and the public is able to hear and observe the discussions and deliberations of all of the members present including those participating by use of electronic communications technology. In the event that a member attending any meeting or hearing by use of electronic technology is disconnected and such disconnection results in less than a quorum being present at the meeting or hearing, then all discussions and deliberations shall be discontinued until that member is reconnected or appears in person.

The Council shall by ordinance provide for notice of its meetings, including identification of the method to access, hear and observe any such meeting in which electronic technology or videoconferencing will be utilized as provided herein. Other public bodies of the City may meet in-person or as otherwise described in this Section as authorized by ordinance of Council.

SECTION 8. GENERAL PROVISIONS.

The Council shall determine its own rules and order of business, provide for special meetings and keep a record of its proceedings. The Council may by general ordinance provide for legislative procedure; the form and method of enactment of ordinances; a simplified

procedure for levying assessments; the method and manner of giving public notice of passage of ordinances or resolutions of a general or permanent nature; the advertisement and sale of bonds and notes; and the advertisement and awarding of public contracts. Such general ordinances, when once adopted, shall not be repealed or amended except by vote of five members of the Council or by the people.

SECTION 9. COUNCIL'S SUBPOENA POWER

The Council shall have the power to make inquiries or investigations concerning the affairs of the City, and in the course of any such inquiry or investigation, the Council shall have the power to subpoena and compel the attendance and testimony of witnesses, and the power to require the production by subpoena of any books, papers, public records, or other documentary evidence pertinent to such investigation, inquiries, or hearing. The Director of Law or a notary public, designated by either the Director of Law or the Council President, shall have the power to administer oaths and affirmations in connection with the taking of testimony relative to any such investigation or hearing.

SECTION 10. EMERGENCY MEASURES

An emergency ordinance or resolution is one that is necessary for the immediate preservation of the public peace, health, safety or welfare of the City. No ordinance or resolution of Council shall be adopted as an emergency unless it receives the affirmative vote of at least two-thirds (2/3) of the members elected or appointed to Council, with the reason for the need to declare the emergency being separately set forth in a section of the ordinance or resolution. No measure making a grant, renewal or extension of a franchise or other special privilege, or regulating a rate to be charged for its service by any public utility, shall ever be passed as an emergency measure.

SECTION 11. PRESIDENT OF COUNCIL AND VICE PRESIDENT OF COUNCIL.

The Council shall, at the time of organizing following each regular municipal election, elect one of its members as President of Council. The Council shall elect another member as Vice President of Council, who shall perform the duties of the President of Council in the absence of the President. The President shall, with the Clerk of Council, prepare the agenda for meetings of the Council. In the absence of both the President and Vice President, the Clerk of Council shall prepare such agenda. The President of Council shall preside at all meetings of the Council and shall have a voice and vote in its proceedings, but no veto. In the absence of both the President and Vice President, a President Pro Tem shall be elected from the members of Council in attendance by the affirmative vote of a majority of the members present at a Council meeting.

In the event of a vacancy in either the office of President or Vice President, or in the event the Council shall determine by at least four of its members that either the President or Vice

President is unable to fulfill the duties of their respective office, the Council shall immediately proceed to elect one of its members to serve in such office.

SECTION 12. COUNCIL INTERACTIONS WITH CITY ADMINISTRATION

Council and the Mayor shall collaborate, in good faith for the best interests of the City, to ensure both that the administration of the government be conducted without unreasonable impediment and that members of Council be permitted to exchange information with and receive information from City administrative officers, Directors and Chiefs in order to support Council's legislative and constituent services functions. When appropriate, members of Council may serve the residents of the City as advocates through whom residents can seek the services of the City and any redress of grievances.

The Mayor, City Administrator, or the Directors or Chiefs or their designees shall respond to inquiries from Council members in a complete, accurate and timely manner, in such fashion as Council may determine by ordinance or resolution. Without limiting the preceding sentence, the Council President or a Council Committee chair may request that a Director or Chief or their designee attend specified meetings of Council or of such Committee, respectively. When the Council President or a Council Committee chair has made such request, the Director or Chief requested to be in attendance, or their designee, shall attend the meeting and shall answer or respond in good faith to questions asked by any Council member or Council Committee member, respectively, related to the powers and duties of the Director, Chief or designee. Council may, by ordinance or resolution, require that all Directors and Chiefs, or their designees, attend all Council meetings and/or Council Committee of the Whole meetings.

ARTICLE IV THE MAYOR

SECTION 1. TERM.

The term of the Mayor shall begin the first day of January next following the election of the Mayor. The Mayor shall serve for a term of four years, unless removed from, recalled from, or disqualified for the office of Mayor, at which time a successor shall be chosen in accordance with the provisions of this Charter. The initial election of the Mayor shall occur at the regular municipal election occurring in 2021.

SECTION 2. QUALIFICATIONS.

To serve as Mayor a person must have resided and been an elector of the City of Cleveland Heights for at least eighteen (18) months immediately preceding that election, and must continue to be a resident and elector of the City while holding office. The Mayor shall serve the City on a full-time basis. No person shall be the Mayor who holds any employment with the City of Cleveland Heights, the Cleveland Heights-University Heights School District, or the East Cleveland School District, or who holds any elected public office other than that of precinct

committee person or State Central committee person. While the Mayor's primary responsibility, time and attention is to be directed to the business of the City, holding the office of Mayor does not necessarily preclude limited outside employment or other outside work by the person holding the office, provided that outside employment or work does not conflict or interfere with carrying out the duties assigned by this Charter, by Council ordinance not in conflict with this Charter, or by general law, or otherwise violate any provision of this Charter, applicable ordinance or general law.

SECTION 3. EXECUTIVE POWERS AND DUTIES.

The Mayor shall be the chief executive officer of the City, and shall maintain an office at the Cleveland Heights City Hall. The Mayor, together with a full-time City Administrator, shall supervise the administration of the City's affairs and, except as otherwise provided in this Charter, shall exercise control over all departments and divisions through the directors thereof; provided, however, that the Mayor shall have no authority to exercise control over the Council or its employees. The Mayor shall appoint, promote, transfer, reduce or remove all officers and employees of the City, except members of Council, judges, and any other persons whose terms of office are fixed by this Charter or law. The Mayor shall be the chief conservator of the peace within the City, shall serve as Director of Public Safety, and shall see that all laws and ordinances are enforced by the appropriate law enforcement officials through appropriate legal process. The Mayor shall be responsible for the preparation and submission to the Council of the annual estimate of receipts and expenditures, and appropriation measures and, with and through the Director of Finance, shall at all times keep the Council fully advised as to the financial condition and needs of the City. The Mayor shall recommend to the Council such measures as the Mayor deems necessary or expedient. The Mayor shall, in a timely manner, exercise powers and perform duties conferred upon or required of the Mayor by this Charter, by ordinance consistent with this Charter, or by general laws. The Mayor shall see that all terms and conditions imposed in favor of this City or its inhabitants in any franchise or contract to which the City is a party are faithfully kept and performed. The Mayor shall execute on behalf of the City all contracts, conveyances, evidences of indebtedness and all other instruments to which the City is a party, except where this Charter authorizes another City official to execute a contract. The Mayor shall have custody of the seal of the City. The Mayor shall be recognized as the official and ceremonial head of the City government by all civil and governmental entities, and by the courts for the purpose of serving civil process.

SECTION 4. CITY ADMINISTRATOR.

The City Administrator shall be appointed by the Mayor on the basis of executive and administrative training and experience related to municipal and/or other governmental operations, subject to confirmation by a majority of members of Council, and shall serve at the pleasure of the Mayor.

The City Administrator shall assist the Mayor in the operation of the Mayor's office and, subject to the Mayor's supervision and control, assist in the preparation of the annual budget for presentation to the Council and supervise the administration of personnel policies and practices

in all departments. The City Administrator shall render advice to the Mayor regarding appointment, promotion, transfer, reduction and removal of all City personnel. The City Administrator shall, subject to the supervision and control of the Mayor, establish reporting procedures, require the submission and review of progress reports and operating goals, and generally assist in the coordination of activities of all departments, division, boards, commissions, officers and employees of the City, except for the professional activities and responsibilities of the Department of Law.

The City Administrator shall make periodic written reports to the Mayor and Council, not less often than semiannually or otherwise as may be required by ordinance of Council, concerning the administration of all departments, divisions, boards and commissions of the City, and their needs and requirements for the future and shall, unless Council provides otherwise, attend all meetings of the Council and Committee of the Whole as well as, upon request of the Council President or Committee Chair, other Council Committee meetings.

The City Administrator may serve as the Director of any department except the Departments of Law, Finance or Planning and Development (whether on a temporary or permanent basis) and shall perform such other duties, not inconsistent with this Charter, as may be required by the Mayor.

SECTION 5. LEGISLATIVE POWERS.

The Mayor may introduce ordinances and resolutions in the Council, which introduction shall not be unreasonably refused or delayed, and may participate in all meetings of the Council, including executive sessions on the invitation of the Council President subject to the majority of Council determining otherwise by motion, but shall have no vote in any Council meeting. When attending Council meetings, including committee meetings, the Mayor shall be subject to such rules as the Council President or the Council shall prescribe applicable to such meetings with regard to parliamentary procedure, speaking opportunities, and time limits.

Every ordinance or resolution of the Council shall be signed by the Clerk of Council and Council President and presented within five days of passage by the Council to the Mayor for consideration before it goes into effect. The Mayor may approve or disapprove the whole or any line item of an ordinance appropriating money, but otherwise the approval or disapproval shall be addressed to the entire ordinance or resolution. If the Mayor approves such ordinance, line item, or resolution, the Mayor shall sign and file it with the Clerk of Council. If the Mayor disapproves such ordinance, item or resolution, the Mayor shall return it to the Clerk of Council together with a written statement of the Mayor's objections. Unless an ordinance, line item, or resolution is filed with the Clerk of Council, by the Mayor, with written notice of disapproval within ten days after its passage by the Council, it shall take effect as though the Mayor had signed it. When the Mayor has disapproved an ordinance, line item, or a resolution, as herein provided, the Council may, not later than its second regular meeting following the disapproval, reconsider the ordinance, line item, or resolution. If upon such reconsideration the ordinance, item, or resolution is approved by the votes of two-thirds (2/3) of the members elected or appointed to Council, it shall take effect notwithstanding the disapproval of the Mayor. For the

avoidance of doubt, the following measures are not subject to disapproval by the Mayor: (a) an ordinance or other measure proposed by initiative petition and approved by a majority of the electors voting upon the measure in the City; (b) an ordinance or other measure submitting to a vote of the people a question resulting from the initiative, referendum or recall petition processes provided in Article VIII of this Charter; (c) an ordinance or resolution submitting to the electors any proposed Charter amendment; or (d) an ordinance or resolution adopted by the Council pursuant to its authority to appoint a Clerk or to appoint, employ, hire, or engage other employees, consultants, independent contractors or other persons under Article III, Section 6.

SECTION 6. REMOVAL

If, at any time the Mayor shall cease to be qualified for the office, or shall be convicted of a felony, or shall be declared legally incompetent, the Mayor shall immediately forfeit office.

SECTION 7. ABSENCE AND VACANCY.

When the Mayor is absent and inaccessible, or is unable for any reason to perform the duties of Mayor, in either case as determined in writing by the Director of Law (or another attorney selected by Council if the Director of Law indicates a conflict of interest) pursuant to the written request for such determination from the Council President or any two (2) members of Council with such determination confirmed by the vote of the majority of the members elected or appointed to Council (in any case, "Mayor's inability to perform duties"), then the President of Council shall act as the Acting Mayor with the same powers and duties as the Mayor, but shall not thereby cease to be a member of Council. If the President of Council is unable to assume the duties of Acting Mayor, Council shall designate a person meeting the qualifications of Article IV, Section 2 to be the Acting Mayor. The person who becomes Acting Mayor in accordance with this Section shall serve in that capacity until the Mayor returns to duty or, as provided below, the President of Council becomes Mayor or another person is appointed Mayor by City Council, whichever occurs first.

If the Mayor's inability to perform duties continues for more than sixty (60) consecutive days, or in case of the death, disqualification, resignation or removal of the Mayor, the Council shall, forthwith and in no event later than 65 days after the commencement of the Mayor's inability to perform duties or 10 days after the Mayor's death, disqualification, resignation or removal, declare the office of the Mayor vacant, at which time the President of Council shall become Mayor and shall cease to be a member of Council. If the President of Council is unable or unwilling to assume the duties of Mayor, the President of Council shall inform Council of the same within 5 days of the declaration of vacancy and the Council shall thereafter appoint a Mayor meeting the qualifications of Article IV, Section 2 within 45 days of the declaration; provided, however, that if the person appointed by Council is a member of Council, that person shall cease to be a member of Council upon appointment as Mayor.

The person who becomes Mayor because of a vacancy in such office shall serve for the balance of the unexpired term or until the beginning of the term of a successor elected for that

unexpired term as hereinafter provided. A successor shall be elected for the unexpired term at the next regular municipal election if (a) such election occurs more than two (2) years prior to the expiration of the unexpired term and (b) the vacancy shall have occurred more than 180 days prior to such election. The term of the person elected to fill the vacancy at such election shall begin at the first regularly scheduled meeting of Council following the certification of the official electoral results of such election and shall extend for the remainder of the unexpired term.

Such initiative petition must contain the signatures of not less than ten percent (10%) of the electors of the City, which shall mean signatures equal in number to at least ten percent (10%) of the total votes cast at the last preceding general municipal election.

When there shall have been filed with the Clerk of Council a petition signed by the aforesated required number of electors proposing an ordinance or other measure, the Clerk shall certify the same to the Council at the next regular meeting, and the Council shall at once read and refer the same to an appropriate Council committee which may be the committee of the whole; provision shall be made for public hearings upon the proposed legislation before the committee to which it is referred, with opportunity for public comments at such hearings; thereafter the committee shall report the proposed measure to the Council with its recommendations thereon not later than the second regular meeting of the Council following that at which the proposed measure was submitted to the Council.

Any ordinance or other measure passed by the Council shall be subject to referendum, except as hereinafter provided. No ordinance or other measure shall go into effect until thirty (30) days after it shall have been passed by the Council, except as hereinafter provided; but nothing herein contained shall prevent the City, after the passage of any ordinance or other measure, from proceeding at once to give any notice or make any tender or publication required by such a measure, by this Charter, by general law or by general ordinance.

When there shall have been filed with the Clerk of Council a petition signed by not less than fifteen percent (15%) of the electors of the City (meaning signatures equal in number to at least fifteen percent (15%) of the total votes cast at the last preceding general municipal election) within thirty (30) days after any ordinance or other measure shall have been passed by the Council, ordering that such ordinance or other measure be submitted to the electors of the City for their approval or rejection, the Clerk shall, at the next regular meeting of the Council, certify such petition to the Council. The Council shall thereupon proceed to reconsider such ordinance or other measure. If upon such reconsideration the ordinance or other measure be not entirely repealed, the Council shall provide for submitting it to a vote of the electors as herein elsewhere provided. No such ordinance or measure shall go into effect until approved by a majority of those voting on the same.

Whenever the Council is by law or provisions of general ordinances required to pass more than one ordinance or other measure to complete the legislation necessary to make and pay for any public improvement, the provisions of this section shall apply only to the first ordinance or other measure required to be passed and not to any subsequent ordinances or other measures relating thereto.

Whenever the electors shall have authorized the issuance of bonds, subsequent ordinances or other measures relating to the issuance of such bonds shall not be subject to the provisions of this section.

Ordinances or other measures providing for appropriations for the current expenses of the City, or for street improvements petitioned for by the owners of a majority of the feet front of the property benefited and to be specially assessed for the cost thereof, as provided by general law or general ordinance, and emergency ordinances or measures necessary for the immediate preservation of the public peace, health, safety or welfare of the City, shall go into immediate effect and shall not be subject to the provisions of this section.

SECTION 3. RECALL.

The people reserve unto themselves the right to recall and remove from office any member of the Council or the Mayor (each hereafter an "elected official" or an "official"). The procedure to effect such recall or removal shall be as follows:

A petition demanding that the question of removal of such elected official be submitted to the electors shall contain a concise statement setting forth the basis for the recall and shall be signed by at least twenty-five percent (25%) of the electors of the City, which in the case of the recall of a Council member shall mean signatures equal in number to at least twenty-five percent (25%) of the total votes cast at the last preceding general municipal election; and which in the

case of the recall of the mayor, shall mean signatures equal in number to at least twenty-five percent (25%) of the total votes cast at the last preceding mayoral election. No recall petition shall be signed fewer than one hundred eighty (180) days following the commencement of the most recent term of office of the elected official whose recall is sought, and any signature affixed to such a petition earlier than that date shall be invalid. No petition may relate to the recall of more than one elected official.

When there shall have been filed with the Clerk of Council a recall petition signed by the aforesaid required number of electors, the Clerk shall certify the same to the Council at the next regular meeting and shall forthwith furnish a copy thereof to the elected official whose removal is so sought, and the Council shall call an election upon the question of such removal as herein elsewhere provided, unless within five (5) days after such certification the official shall have tendered a written resignation to the Clerk. The date of certification of the petition to the Council by the Clerk shall be considered the date upon which the duty of the Council to call an election on the question of the removal of an elected official has arisen.

If a majority of the votes cast at such election on the question of removal is in the affirmative, the elected official whose removal is sought shall thereupon be deemed removed from office upon the certification of the official canvass of that election to the Council. A vacancy caused by such recall shall be filled, in the case of the removal of a member of Council, according to the provisions of Article III of this Charter. In the case of the removal of the Mayor pursuant to a recall election, the vacancy shall be filled according to the provisions of Article IV of this Charter. No elected official who has been recalled is eligible for appointment to fill any vacancy created as a result of such recall, in any elective office.

If a majority of the votes cast on the question of removal of any elected official is in the negative, the person whose removal was sought shall be allowed by the Council the reasonable expenses incurred incident to such election.

SECTION 4. GENERAL PROVISIONS.

Any initiative, referendum or recall petition may be presented in separate parts. Each part of any initiative petition shall contain a full and correct copy of the title and text of the proposed ordinance or other measure, and each part of any referendum petition shall contain the number and the full and correct copy of the title of the ordinance or other measure sought to be referred, but need not contain the full text of such ordinance or other measure. Each part of any recall petition shall contain the name of the elected official whose removal is sought and the statement of the basis for removal.

Each signer of any petition shall be a registered voter of the City and shall sign their name in ink and shall place on the petition their name and place of residence by street and number. Each part of any petition shall contain a circulator statement as required by the general laws of the State of Ohio. Each part of a petition shall also have printed thereon the names and addresses of at least five (5) registered electors of the City, who shall be officially regarded as filing the petition and shall constitute a committee of the petitioners for the purpose herein elsewhere named.

All such petitions shall be filed with the Clerk of the Council and all parts of any such petition shall be assembled by the Clerk as one instrument.

Within ten (10) days after the filing of a petition the Clerk shall ascertain whether the same is signed by the required number of qualified electors. Upon the completion of the examination the Clerk shall endorse upon the petition a certificate of the result thereof.

If the Clerk's certificate shows that the petition has an insufficient number of signatures, the Clerk shall at once notify each member of the committee of the petitioners herein elsewhere provided for, and the petition may be amended at any time within fifteen (15) days from the date of the Clerk's certificate of examination by filing with the Clerk an additional petition in one or more parts in the same manner as provided for the original petition. In the event that it shall be determined by judicial proceedings that the certificate of the Clerk to the effect that the petition is sufficient is erroneous, the same period of fifteen (15) days shall be granted for additional petitions after the final judicial determination of such question.

Upon the filing of any such additional petitions, the Clerk shall within ten (10) days thereafter examine the petition as thus amended and attach thereto a certificate of the result of such examination, which shall constitute the final determination. Only one supplemental filing of petitions shall be permitted. The final determination of the insufficiency of a petition shall not prevent the filing of a new petition for the same purpose.

The filing of an initiative, referendum or recall petition by the Clerk with the Council within the times herein elsewhere provided shall be computed from the date of the attaching of the final certificate of the Clerk to such petition.

Whenever the Council is required to call an election by reason of the filing of an initiative, referendum or recall petition, the Council shall call an election for the submission of such initiative, referendum or recall question at the next regular primary or general election occurring not less than sixty (60) days nor more than one hundred twenty (120) days after such requirement has arisen. If no such regular primary or general election is to be held within such time, the Council shall call and set the date for a special election to occur not less than sixty (60) days nor more than one hundred twenty (120) days after the election requirement has arisen. In either event, the Council shall certify its action with regard to the calling of such election to the election authorities.

When any legislative measure resulting from any initiative or referendum petition is approved by a majority of the electors voting thereon, such legislative measure shall become effective at the time fixed therein and if no time is fixed therein, then such legislative measure shall become effective upon its approval by the electors; provided, however, that in the event that two or more inconsistent legislative measures on the same subject are submitted at the same election, only the one receiving the largest affirmative vote, not less than a majority, shall become effective.

SECTION 5. OFFICIAL PUBLICITY.

Not less than thirty (30) days prior to the election at which any initiated or referred legislative measure, or the recall of any elected official is to be submitted to the electors, the Clerk of Council shall either:

- (a) Print and mail to each registered elector an official publicity pamphlet, or

(b) Publicize official publicity in a newspaper published and generally circulated in the City or, if no such newspaper is published in the City, then in a newspaper of general circulation within the City. Such publication shall be made once a week for not less than two (2) consecutive weeks with the first publication being at least thirty (30) days prior to such election.

Such publicity pamphlet or publication shall contain a full text of the initiated or referred ordinance or recall petition, with their respective ballot titles, together with any explanation or argument for or against such measure or recall which may have been filed with the Clerk of Council, as hereinafter provided. The validity of any initiated or referred legislative measure, approved by the electors, and the result of any recall election, shall not be questioned because of technical or non-consequential errors or irregularities in such mailing, distribution or publication.

Not less than fifty (50) days before any such election, the committee designated in the petition, as a result of which said election is called, may submit to the Clerk of Council an explanation or argument supporting the position taken by the signers of such petition. In the event of an initiated ordinance, which Council has failed to pass, or of a referred ordinance, the President of Council shall appoint a committee of three (3) members of the Council to prepare an answer to any explanation or argument submitted by the committee of the petitioners. In the event of a recall election, the official whose recall is sought may prepare an answer to any statement submitted by the committee of petitioners as provided in this section. Further, in connection with all initiative, referendum or recall petitions, any civic body or committee of residents may prepare an answer or response to any explanation or argument submitted by the committee of petitioners. Any such answer or response shall be prepared and filed with the Clerk in writing not less than forty (40) days prior to any such election. All explanations, arguments or statements for any measure or recall, and all answers or responses to the same, shall be signed by the persons authorized to submit the same. No such explanation, argument, answer or response shall exceed five hundred (500) words in length. Arguments in favor of or against any legislative measure or recall, filed with the Clerk pursuant to this section, shall at all times be open to the inspection of anyone interested therein.

ARTICLE IX FINANCES

SECTION 1. GENERAL

The laws of the State of Ohio relating to budgets, appropriations, taxation, debt, bonds and notes, assessments and other fiscal matters of the City shall be applicable to the City, except as otherwise provided by this Charter or by ordinance or resolution of Council. The fiscal year of the City is the calendar year.

SECTION 2. COMPLIANCE WITH LAWS AND PROVISION OF INFORMATION TO COUNCIL REGARDING THE ANNUAL BUDGET

Council shall adopt and the City will subsequently submit to governing authorities an annual tax budget in compliance with the general laws of the State of Ohio. The Mayor shall provide to Council an estimated annual tax budget by the time of the first Council meeting by the

end of June of each fiscal year or at such time as may be required by Council. Prior to December 31 of each fiscal year, the City shall adopt a revised budget. The revised budget serves as the basis for the annual appropriation measure. The Mayor shall provide an itemized estimate of the expenditures and revenues of the City departments for the ensuing year on or before November 15 of each fiscal year.

SECTION 3 PREPARATION AND ADOPTION OF FULL CITY BUDGET

The Mayor, with the assistance of staff including the City Administrator and the Director of Finance, shall prepare and submit to Council an annual budget document. The content of the annual budget document shall include the following:

- (a) A budget message from the Mayor and Director of Finance either jointly or separately.
- (b) An annual revenue budget. The annual revenue budget shall include an itemized estimate of the anticipated revenue from each source during the ensuing fiscal year, with a comparative statement of the amount received from such source during the two (2) preceding fiscal years and the current fiscal year plus an estimate of such amounts for the remainder of the current fiscal year. Revenue sources include property tax revenues and all other sources of revenue to the City. Assumptions made shall be noted, and explanations of significant changes shall be provided. The itemized estimate shall be provided to Council by November 15 of each fiscal year.
- (c) An annual appropriation budget. The annual appropriation budget shall include the following: (i) an itemized estimate of the expense of conducting each department and activity of the City for the ensuing fiscal year, together with comparative statements as provided in subsection (b) and with like treatment of assumptions and explanations; (ii) the amount of the total debt of the City, together with a schedule of amounts due on all outstanding bonds and notes; (iii) a statement of the projected unencumbered balance in each fund at the end of the current fiscal year and the actual unencumbered balance at the end of the prior fiscal year; (iv) a statement of the City's debt rating assessed by a recognized municipal debt rating agency for the two most recent fiscal years for which it is available; and (v) any other information as may be required by Council. The Mayor shall also make available to Council the most recent debt rating report on the City from a recognized municipal debt rating agency. The Mayor shall provide to Council the itemized estimate by November 15 of each fiscal year.
- (d) Annual capital budget. The capital budget shall include the following: (i) any departmental capital spending requests and how those spending requests relate to achieving departmental goals; (ii) itemized cost estimates and the anticipated method of financing upon which each capital expenditure is to be reliant; (iii) the itemized estimated annual cost of operating and maintaining the facilities or equipment to be constructed or acquired; (iv) a commentary on how the capital budget addresses the environmental, social, and governance sustainability of the community and region; and (v) any other information as may be required by Council.

(e) Council and the Mayor shall collaborate to ensure Council and the public have the opportunity to understand and offer comment on the budget by publishing and holding hearings on the budget. "Publishing" means to make available to the Council and the public in the contemporary means of information sharing. "Hearings" means discussion of the budget during meetings of the Council or its Committee of the Whole, identified as such on the agendas of such meetings. Council shall adopt a budget. Council shall subsequently act to implement the budget.

Council shall provide by ordinance the procedures for administration and fiduciary oversight of the budget.

SECTION 4. APPROPRIATION AND ADDITIONAL ORDINANCES

At or before the first meeting of the year in which the annual budget is to become effective, Council shall adopt an appropriation ordinance. Appropriations in the ordinance may not exceed the estimated revenues of the City for that year. Such ordinance may provide for a temporary or interim appropriation, but in such event an annual appropriation ordinance shall be adopted such that the City complies with the general laws of Ohio. Such appropriation may be amended as necessary from time to time by ordinance. Council shall take other actions as necessary to achieve the purposes of the budget.

SECTION 5. TRANSFER OF FUNDS.

Upon request of the Mayor, the Council may transfer any part of an unencumbered balance of an appropriation to a purpose or object for which the appropriation for the current year as proved insufficient, or may authorize a transfer of money to be made between items appropriated to the same office or department.

SECTION 6. UNENCUMBERED BALANCES.

At the close of each fiscal year, the unencumbered balance of each appropriation shall revert to the fund from which it was appropriated, and shall be subject to future appropriation. Any accumulated revenue not appropriated as hereinbefore provided, and any balances at any time remaining after the purposes of the appropriation shall have been satisfied or abandoned, may from time to time be appropriated by the Council to such uses as will not conflict with any uses for which such revenues specifically accrue. No money shall be drawn from the treasury of the City nor shall any obligation for the expenditure of money be incurred, except pursuant to appropriations made by the Council.

SECTION 7. PAYMENT OF CLAIMS.

No warrant for the payment of any claim shall be issued by the Director of Finance until such claim shall have been approved by the director for the department for which the indebtedness was incurred, and the Mayor. Such officers and their sureties shall be liable to the

Municipality for any loss or damage sustained by the Municipality by reason of the corrupt approval of any such claim against the Municipality. Whenever any claim shall be presented to the Director of Finance, he shall have power to require evidence that the amount of the claim is justly due and is in conformity to law and ordinance; and for that purpose he may summon before him any officer, agent or employee of any department of the Municipality, or any other person, and examine him upon oath or affirmation relative thereto.

SECTION 8. CERTIFICATION OF FUNDS.

No contract, agreement, or other obligation involving the expenditure of money, shall be entered into, unless the Director of Finance shall have first certified in writing that the money required for such contract, agreement, obligation, or expenditure is in the treasury to the credit of the fund from which it is to be drawn, and not appropriated for any other purpose, which certificate shall be filed with the contract, agreement, or obligation. The sum so certified shall not thereafter be considered unappropriated until the City is discharged from the contract, agreement, or obligation; but the provisions of this section shall not be construed as prohibiting the making of contracts for the furnishing of services or public utilities for a period extending beyond a single fiscal year when such contracts are otherwise authorized by this Charter or by general law.

SECTION 9. MONEY IN THE FUNDS.

All moneys actually in the treasury to the credit of the fund from which they are to be drawn, and all moneys applicable to the payment of the obligation or appropriation involved, that are anticipated to come into the treasury before the maturity of such contract, agreement, or obligation, from taxes, assessments, or license fees, or from sales of services, products, or by-products of any City undertaking, and moneys to be derived from lawfully authorized bonds, sold and in process of delivery, shall, for the purpose of such certificate, be deemed to be in the treasury to the credit of the appropriate fund, and shall be subject to such certification.

SECTION 10. BOND ISSUES

Except as may be authorized specifically by the laws of the State of Ohio, no bonds or notes of the City may at any time be issued for current operating expenses or for acquisition of any property, asset or improvement with an estimated life or usefulness of less than five (5) years, but this prohibition shall not be construed as applying to money borrowed in anticipation of the collection of special assessments, or for defraying the expenses of an extraordinary epidemic of disease, or emergency expenses made necessary by sudden casualty that could not reasonably have been foreseen, or for paying final judgments upon non-contractual obligations.

SECTION 11. MATURITIES OF BONDS

The maturities of bonds may not extend beyond the estimated life of the related property, asset, or improvement, as certified to the Council by the Director of Finance, which certificate shall be on file with the Council before the passage of any bond ordinance.

SECTION 12. LIMITATIONS ON RATES OF TAXATION

The Council may not, in the absence of a favorable vote of the people, levy taxes in excess of eight (8) mills per one dollar (\$1.00) of assessed valuation on property in the City that is assessed and listed for taxation according to value and that is required or lawfully permitted to be included in the general levy for the general fund of the City for the purpose of paying current operating expenses including the purpose of police and fire pensions.

Notwithstanding the eight (8) mill limitation on taxation for current operating expenses, and in addition to it, Council may levy annually a tax not to exceed seven-tenths (.7) of one mill per one dollar (\$1.00) of all property in the City that is assessed and listed for taxation according to value, to be used for the acquisition, construction, reconstruction, rehabilitation, renovation, improvement, equipping and maintenance of land, facilities, buildings and structures belonging to or operated by the City and used for parks, playgrounds, play fields, rights of way, swimming pools, indoor recreation and community centers, municipal amphitheaters and cultural facilities, and related equipment, and for the debt charges on general obligation bonds and bond anticipation notes issued to pay the cost of the improvements and/or maintenance specified in this Section.

SECTION 13. AUDITING FINANCES

There shall be a financial audit of all of the affairs and accounts of the City each calendar year. This audit shall be conducted by the State of Ohio or by an independent certified public accountant or accounting firm authorized by the State of Ohio to conduct required audits of cities. Council may, in addition, at any other time, engage the services of an independent certified public accountant or accounting firm for the purpose of auditing all or a portion of the City's finances covering a period Council deems advisable. (Adopted 11-2-82.)

ARTICLE X. ETHICS AND NONDISCRIMINATION

SECTION 1. GENERAL EXPECTATIONS

The citizens of Cleveland Heights rightfully expect City officials, both elected and appointed, and City employees, to behave legally and ethically. All officials and employees are expected to treat each other with respect and to work together for the good of the City and its residents to make the City a desirable place to live. The citizens also rightfully expect honesty, respect and fair treatment from City officials and employees. City officials have a responsibility to educate, monitor, and support all employees and City representatives in this mission.

The Mayor, City Administrator, all members of Council, and all other officers of the City shall, before entering upon the duties of the respective office or position, take and sign an oath or affirmation that conforms to applicable laws of the State of Ohio.

SECTION 3. PUBLIC ETHICS

City officials and employees shall comply with the general laws of the State of Ohio governing the ethical conduct of public officials and employees, including, but not limited to, prohibitions against conflicts of interest, accepting anything of value and unlawful interests in public contracts. No provision of this Article Ten shall be construed as limiting the applicability of the terms of the general laws of the State of Ohio governing the ethical conduct of public officials and employees, including, but not limited to, the prohibitions listed above, or the disqualification of or removal of public officials or employees from office or employment.

The Mayor shall be responsible for having copies of the relevant ethics laws delivered to each City official and employee. Each City official and employee shall attend training (in person or online) periodically from the Ohio Ethics Commission concerning the relevant ethics laws. If the Ohio Ethics Commission no longer provides that training, Council shall authorize the engagement of another provider for that training. The provider shall have expertise in the subject of laws governing the ethical conduct of public officials and employees in Ohio and shall be independent of the City.

SECTION 4. ROLE OF COUNCIL

Nothing in this Article shall be construed to prohibit Council from providing by ordinance additional rules and policies concerning the ethical conduct of elected and appointed City officials and employees that are not duplicative and do not conflict with the general laws of the State of Ohio.

SECTION 5. TRAINING FOR COUNCIL AND MAYOR

The City is committed to the best practices of municipal governance, innovation and administration, including those related to ethics, finances, budgeting, safety forces, infrastructure, human resources, planning and development, and current issues facing Cleveland Heights. To achieve these goals, Council members and the Mayor shall complete training pertinent to their respective positions on the best practices of municipal governance and administration. This training may include but not be limited to, parliamentary procedure, training on the roles and responsibilities of the Mayor, Council members, and Directors, Council's subpoena power and introduction and preparation of laws, resolutions and ordinances. Training sessions are to be provided for by the City, as determined by Council, within three (3) months of a person's election or appointment to the position of Council or Mayor.

Training shall consist of eight (8) hours of instruction for new Council members and sixteen (16) hours of instruction for new Mayor. Council members who have previously served on Council and any Mayor who has previously held the office of Mayor of the City are exempt from the requirements of this section, but have the option of taking the opportunity for the training provided by the City.

Following the completion of such training and prior to the expiration of the three (3) month training period, a certificate provided by the Clerk of Council shall be signed by the person designated by the Council to verify completion of the training. The signed certificates shall be kept on file in the office of the Clerk of Council.

SECTION 6. NONDISCRIMINATION AND EQUAL OPPORTUNITY

No officer, employee, or agent of the city shall deny equal access to city services, or equal opportunity in employment and promotion, or the benefits thereof, to any person on the basis of race, sex, sexual orientation, gender identity or expression, color, religion, ancestry, national origin, age, disability, family or military status, or any other status that is protected by federal, state, or local law or ordinance.

In its employment practices, the City is and shall continue to be an equal opportunity employer in furtherance of its nondiscrimination commitment. At least once per year, the Mayor or City Administrator shall prepare, in collaboration with the Director of Human Resources, and submit to the Council a report concerning the City's compliance with and performance with regard to this equal employment opportunity policy.

ARTICLE XI BOARDS AND COMMISSIONS

There shall be the following nonvoting members of the Commission: The Chairman of the City Planning and Development Committee of the Council; the Mayor; the Director of the Department of Planning and Development, who shall serve as ex officio secretary of the Commission; and such other persons as the Council shall from time to time appoint by ordinance. Voting members shall serve for a term of six (6) years.

The City Planning Commission may make recommendations to the Council and the Mayor on all matters affecting the physical development of the City, taking into account such factors as economic, environmental and social sustainability, and shall perform all other duties and responsibilities provided by ordinance.

SECTION 2. CIVIL SERVICE COMMISSION

There is hereby established a Civil Service Commission which shall consist of three (3) electors of the City not holding other municipal office or employment, to be appointed by the Mayor subject to and effective upon confirmation by the Council. Each Civil Service Commissioner shall serve for a term of six (6) years and until a successor shall have been appointed and qualified. Any vacancies occurring during the term of any member shall be filled for the unexpired term in the manner authorized for an original appointment.

The Civil Service Commission shall elect one of its members as President. The Mayor shall appoint a City employee to serve as secretary of such Commission.

The Council shall provide by ordinance the powers, duties and jurisdiction of the Civil Service Commission, the determination of the positions of employment which shall comprise the classified and unclassified service of the City, the method and procedure for determining merit and fitness for employment and promotion in the classified service, and such other matters relating to classified employment service as may be necessary and proper.

On or before March 1 of each year preceding the year in which a presidential election is held, the Commission shall file with the Clerk of Council a written report following a review by the Commission of the salary and other compensation for members of Council and for the Mayor. The report shall set forth the Commission's recommendations for salary and other compensation for members of Council and the Mayor for new terms of office beginning on or after January 1 of the year next following the year in which the ordinance is adopted. Council shall provide by ordinance appropriate budget and support to enable the Commission to conduct the salary and other compensation review and prepare recommendations. The recommendations shall take into account the standards for salary and other compensation set forth in Section 3.4.

SECTION 3. BOARDS AND COMMISSIONS GENERALLY

Council may establish, by ordinance, any other boards, commissions, special committees or task forces it deems necessary, and may combine or abolish any board or commission except the City Planning Commission and the Civil Service Commission. A member of any board or commission established by the Charter or by Council shall be deemed an officer of the City within the meaning of this Charter. Council shall have the authority to establish, by ordinance, such rules and regulations as it deems necessary for the operation, governance and procedures of all City boards, commission, special committees, task forces or other similar bodies created by or under the authority of the Charter or by ordinance of Council. Such rules and regulations may include, but are not limited to, matters relating to membership qualifications, appointments, terms of service, meeting procedures, quorum requirements, reporting requirements, and any other provisions necessary for the effective and transparent functioning of such bodies.

Except in the case of Mayor-appointed members of boards, commissions or advisory bodies of the City as described above (hereafter "board or commission members"), Council may

remove any board or commission member for any reason provided herein for the removal of the Mayor or a member of Council, for the failure to attend meetings of the board, commission or similar body, or as provided under the general laws of Ohio, or for other just cause; provided, that the removal of a board or commission member shall require not less than ten (10) days written notice of the regular or special Council meeting where such removal shall be considered, and an opportunity for the board or commission member to be heard at such meeting. When the Mayor has appointed a board or commission member, the Mayor may remove the member for the reasons set forth herein for Council removal of board and commission members.

ARTICLE XII AMENDMENTS

Amendments to this Charter may be submitted to the electors of the City by a vote of five (5) members of the Council, and shall be submitted to the electors by the Council when a petition, signed by electors of the City equal in number to at least ten percent (10%) of the total votes cast at the last preceding general municipal election, setting forth any such proposed amendment, shall have been filed in the manner and form prescribed in Article VIII of this Charter for the submission of ordinances by initiative petition. The amendment shall be submitted to the electors at the next regular primary or general election, if one shall occur not less than sixty (60) days nor more than one hundred twenty (120) days after passage of the ordinance submitting it to the electors; otherwise the Council shall provide for the submission of the amendment at a special election to be called and held within the time aforesaid.

If any such proposed amendment be approved by a majority of the electors voting thereon, it shall become a part of this Charter at the time fixed in the amendment; and if no time is fixed therein, then such amendment shall become a part of this Charter upon its approval by the electors; provided, however, that in the event that two or more inconsistent amendments on the same subject are submitted at the same election, only the one of such amendments receiving the largest affirmative vote, not less than a majority, shall become a part of this Charter.

Not less than thirty (30) days prior to the election at which any Charter amendment is to be submitted to the electors, the Clerk of Council shall either:

- (a) Print and mail to each registered elector an official publicity pamphlet, or
- (b) Publicize official publicity in a newspaper published and generally circulated in the City or, if no such newspaper is published in the City, then in a newspaper of general circulation within the City. Such publication shall be made once a week for not less than two (2) consecutive weeks with the first publication being at least thirty (30) days prior to such election.

Such publicity pamphlet or publication shall contain a full text of the Charter amendment, with its ballot title, together with any explanation or argument for or against such amendment which may have been filed with the Clerk of Council, as hereinafter provided. The validity of any Charter amendment approved by the electors shall not be questioned because of technical or non-consequential errors or irregularities in such mailing, distribution or publication.

Not less than fifty (50) days before an election on an initiated Charter amendment, the committee designated in the petition, as a result of which said election is called, may submit to the Clerk of Council an explanation or argument in support of the proposed amendment. If a Charter amendment has been proposed by the Council, the President of Council shall appoint a committee of three (3) members of the Council to prepare such explanation or argument which shall be submitted to the Clerk not less than fifty (50) days prior to the election on the amendment. Any civic body or committee of residents may prepare an answer or response to any explanation or argument in favor of a Charter amendment, which answer or response must be filed with the Clerk not less than forty (40) days prior to any such election. All explanations or arguments for or against any proposed Charter amendment shall be signed by the persons authorized to submit the same. No explanation or argument related to a proposed Charter amendment shall exceed five hundred (500) words in length and all such explanations and arguments filed with the Clerk in favor of or against any Charter amendment shall at all times be open to the inspection of anyone interested therein.

ARTICLE XIII CHARTER REVIEW

The Council shall, at least once during every ten (10) year period, by ordinance or resolution, appoint a Commission to review the Charter. The first ten (10) year period shall commence on January 1, 2026. Nine (9) electors of the City shall be appointed as members of the Charter Review Commission. Seven (7) members of the Commission shall be appointed by Council. Two (2) members shall be appointed by the Mayor in a writing delivered to the Clerk of Council, with no requirement for Council approval, not later than thirty (30) days after the adoption of an ordinance or resolution appointing the seven (7) members selected by Council. If the Mayor fails to make timely appointments to the Charter Review Commission, the Council shall appoint two (2) additional members to the Commission within 14 days. The Commission shall review the Charter and shall, within seven (7) calendar months after the appointment of Commission members by the Mayor unless a longer period is provided by Council, recommend to Council such amendments, if any, to this Charter, as in its judgment are desirable. Members of the Commission shall not hold any other office or position of employment with the City and shall serve without compensation. The meetings of the Charter Review Commission shall be open to the public. Within a reasonable time from receipt of the recommendations of Charter Review Commission, the Council shall consider them and may, if it determines to do so, submit the recommended Charter amendments to the voters as received from the Commission or as modified by the Council, in accordance with Article XII of this Charter.

ARTICLE XIV FRANCHISES

SECTION 1. GRANTS LIMITED.

No grant, or renewal thereof, to construct or operate a public utility on, under, or above the streets of the City shall be made by the Council to any person, persons, association, or corporation in violation of any limitation contained in this Charter.

SECTION 2. PERIOD OF GRANTS.

No such grant shall be made for a longer period than twenty-five years. No such grant shall be renewed earlier than two years prior to its expiration, unless the Council shall, by a vote of at least five of its members, first declare by ordinance its intention of considering a renewal thereof, which ordinance shall be passed at least thirty days prior to the passage of the ordinance granting such renewal.

SECTION 3. CONSENTS.

No consent of the owner of property abutting on any highway or public ground shall be required for the construction, extension, maintenance or operation of any public utility by original grant or renewal, unless such public utility is of such a character that its construction or operation is an additional burden upon the rights of the property owners in such highways or public grounds.

SECTION 4. REGULATIONS.

The Council shall at all times direct the distribution of space in, over, under, or across all streets or public grounds occupied by public utility fixtures. All rights granted for the construction and operation of public utilities shall be subject to the continuing right of the Council to pass reasonable regulations for the operation of such utilities, including the right to require such reconstruction, relocation, or discontinuance of the appliances used by the utilities, in the streets or public grounds, as shall, in the opinion of the Council, be necessary in the public interest.

SECTION 5. GRANTS NOT INCLUDED.

Revocable permits for laying temporary tracks across or along streets or other public grounds, to connect railroad or railway tracks with any property, shall not be regarded as a grant within the meaning of this Charter, but may be permitted in accordance with such terms or conditions as the Council may by ordinance prescribe.

All persons holding office at the time this Charter takes effect shall continue in office, and in the performance of their duties until provision shall have been otherwise made in accordance with this Charter for the performance or discontinuance of the duties of any such office. SECTION 4. CONTINUANCE OF CONTRACTS AND VESTED RIGHTS.

All vested rights of the City shall continue to be vested in the City and shall not in any manner be affected by the adoption of this Charter; nor shall any right or liability, or pending suit or prosecution, either in behalf of or against the City, be in any manner affected by the adoption of this Charter, unless herein otherwise expressly provided to the contrary.
