<b>What do you think would be your role as a member of City Council? What are your priorities for our community and are there areas in which you believe the City needs improvement? How would your service on City Council help achieve those goals and improve the City?</b>	The role of City Council is a legislative branch of the City, establishing land use policy through its zoning powers. Adopting annual operating and capital budgets, city contracts and enacting City Codes. In addition to serving on the selective committees. My priorities due to my disability I would like to focus on services for the elderly & disabled, as well as education, sustainability & Small Business Development needs. I have a bachelor's degree in business administration and minor in finance, so I know the importance of education. In addition to 30 years of public service experience, a person with disabilities, as well as experience in working with those with disabilities, and a non-profit business owner in sustainability, for over 10 years, I bring first-hand experience in these areas of focus.
<b>What special qualities, abilities, skills, insights or perspectives do you possess which would be of value in serving on Cleveland Heights City</b>	I have served in the Public Sector for over 30 years, as a Candidate, Public Official, as well as an employee. As a graduate of Wiley Jr. High

**Council? What working knowledge of City Council meetings do you currently have?**

School, I would love to relocate to Cleveland Heights. Because while living there I learned to love the diversity of Cleveland Heights and University Heights, the educational system, as well as my school mates and neighbors whom I continue to have relationships with. I would like to continue to make an impact in the lives of the next generation. The working knowledge of City Council meetings may include weekly or monthly meetings, as well as service on committees.

---

**What educational training (formal or informal), employment and other life experiences have helped you develop the qualities, abilities, etc., described above?**

As stated earlier, I have served in Politics for over 30 years, as a volunteer, donor, candidate & Public Official. I have written Policy that has been nationally implemented. I have trained in Climate Change, and worked in Urban Gardening, as well as Public Health. This, in addition to having a bachelor's degree in business administration and minor in finance, I know the importance of education. As a person having disabilities, as well as experience in working with those with disabilities, and a non-profit business owner in sustainability, for over 10 years, I bring first-hand experience in these areas of focus. In addition to working in the Government sector for 26 years. Where I have learned the importance of standing for what is just for the constituents & compromise.

---

**Please list your recent community, professional or charitable involvements. List the most recent first.**

I am Church member at Olivet Baptist Church. I am currently involved in my non-profit E-JET, LLC, which teaches youth about Urban Gardening. The Lee-Havard Community Association as Vice President which serves the residents of the Cleveland Ward 1 area. As well as an Eastern Star.

---

**Do you have other responsibilities which would prevent you from participating in City Council and Council Committee work during certain hours or**

I have a Doctors Appointment and physical therapy once a week. Additionally, my non-profit is mostly management & seasonal that allows

on certain days? Please note, having a full time job will not disqualify any applicant, and Council works hard to accommodate all members schedules when scheduling meetings.

State any additional information you would like to have considered.

flexibility which does not prevent me from attending meetings.

As stated above, as a graduate of Wiley Jr. High School, I would love to relocate to Cleveland Heights. Because while living there I learned to love the diversity of Cleveland Heights and University Heights, the educational system, as well as my school mates and neighbors whom I continue to have relationships with.
